

Crown Choice

Royal Neighbors of America has prepared this summary to help you understand the features and benefits of the Crown Choice 6-year annuity (Series #200721A).

TAX ADVANTAGES

Although an annuity does not eliminate your tax liability on interest earnings, under current tax law all interest earned accumulates on a tax-deferred basis. Tax deferred growth is currently available only to individual owners and certain trusts.

NO SALES CHARGES OR ANNUAL FEES

100% of your money earns interest for you.

INTEREST CREDITING

Interest is credited and compounded on a daily basis. The rate shown below is the current annual effective yield as of ___/___/___.

Single Premiums of		
\$ 100,000 and greater	_____	%
\$ 20,000 to \$99,999	_____	%
\$ 5,000 to \$19,999	_____	%

The actual rate credited will be the rate in effect at the time of issue.

The initial interest rate is guaranteed for six (6) years. Thereafter the interest rate credited may increase or decrease, but is guaranteed to never be less than 3%.

If the Accumulation Value of your **Crown Choice** annuity is at least \$20,000, you may elect to receive your monthly interest earnings as a check or a direct deposit to your bank account.

SCHEDULED & UNSCHEDULED WITHDRAWALS

You may request a partial withdrawal of at least \$500 at any time prior to the maturity date as long as your Accumulation Value does not fall below \$5,000.

WITHDRAWAL CHARGES

The Withdrawal Charge will apply to a full or partial surrender (withdrawal) of the premiums paid. The Withdrawal Charge is equal to the single premium amount, less any prior withdrawals of premium, multiplied by the Withdrawal Charge Percentage (%) which corresponds to the year of the withdrawal.

DEATH BENEFIT PROCEEDS

If the Owner dies prior to the certificate maturing, death benefit proceeds will be paid.

If the Owner is the Annuitant, proceeds paid will equal the Accumulation Value.

If the Owner who is not the Annuitant dies, and the Owner was age 16 through 75 at the certificate issue, proceeds paid will equal the Accumulation Value.

If the Owner who is not the Annuitant dies, and the Owner was age 76 through 99 at the certificate issue, proceeds paid will equal the Cash Surrender Value.

BENEFICIARY

At death of the Owner, the Beneficiary will be paid the death benefit proceeds. At death of the Annuitant who is not the Owner, the Owner will have 60 days to name a new Annuitant, or will become the Annuitant of the certificate.

RIGHT TO EXAMINE YOUR ANNUITY

Your annuity certificate allows at least 20 days during which you may return the annuity and we will return 100% of your premium, less any benefits paid.

TAXATION OF WITHDRAWALS

Withdrawals may be subject to income tax. If withdrawals are made before the Owner's age 59 1/2, the taxable portion may be subject to an additional 10% IRS penalty.
