

Did you know that women today still earn little more than 77 cents to every dollar a man earns?* And because they are living longer can expect to spend more years in retirement than men?

Research Shows Why Women Need a Comprehensive Financial Strategy...

...ING Life Companies Show You How
ING Retirement Extra using life insurance is a strategy that uses life insurance to combine death benefit protection with cash value which can be used to help supplement retirement income.

*US Census Report, 2007

Don't be a statistic.

Start planning for your secure financial future today!

Before investing, you should carefully consider the need for life insurance coverage and the charges and expenses of the variable universal life insurance policy. Carefully consider the investment objectives, risks, fees and charges of each underlying variable investment option. This and other information is contained in the prospectuses for the variable universal life insurance policy and the underlying variable investment options. You can obtain these prospectuses by calling 877-253-5050. You should read them carefully before investing.

Variable insurance products are subject to investment risk, are not guaranteed and will fluctuate in value. In addition, there is no guarantee that any variable investment option will meet its stated objective.

Life insurance products are issued by ReliaStar Life Insurance Company (Minneapolis, MN), ReliaStar Life Insurance Company of New York (Woodbury, NY), and Security Life of Denver Insurance Company (Denver, CO). Variable Universal Life insurance products are distributed by ING America Equities, Inc. 1290 Broadway, Denver, CO 80203. Only ReliaStar Life Insurance Company of New York is admitted and its products issued, in the state of New York. All are members of the ING family of companies. Other than the ING companies identified, no other entities, whether distributing or listed on the material, are members of the ING family of companies.
